## **PACE OF PLAY—READY GOLF**

Playing at a better pace is not about hurrying up or rushing around the course. It is simply about being more efficient with your valuable time, as well as everyone else's. Adopting this mindset – and not being afraid to share it with your fellow players – will ultimately add enjoyment to your golf experience. Here are some recognized tips for improving pace of play:

### **MINIMIZE YOUR TIME ON THE TEE**

On the tee it is usually acceptable for players to "hit when ready."

### **PLAN YOUR SHOT BEFORE YOU GET TO YOUR BALL**

Once you are off the tee, think ahead. Determine your yardage and make your club selection before it is your turn to play.

### **KEEP YOUR PRE-SHOT ROUTINE SHORT**

Pick your line of play once and trust yourself. Most importantly, be ready to hit when it is your turn. Start moving toward your next shot promptly.

### **DEVELOP AN EYE FOR DISTANCE**

You don't have to step off yardage for every shot. If you need to determine precise distance, try to find a yardage marker before you reach your ball or use a range finder.

### **WHEN SHARING A CART, USE THE BUDDY SYSTEM**

Don't wait in the cart while your cart partner hits and then drive to your ball. Get out and walk to your ball with a few clubs. Be ready to play when it is your turn.

If others you are playing with are not familiar with the course, the Rules permit players to exchange yardage information without penalty.

### **BE HELPFUL TO OTHERS IN YOUR GROUP**

Follow the flight of all tee shots, not just your own. Once in the fairway, help others look for their ball if you already know the location of yours. Volunteer to fill in a divot or rake a bunker for another player if needed. Be ready to attend the flagstick for others.

### **KEEP UP WITH THE GROUP IN FRONT OF YOU**

Your correct position on the course is immediately behind the group in front of you, not immediately in front of the group behind you. AIM TO PLAY IN 40 SECONDS. From club selection to pre-shot routine to execution, strive to hit your shot in 40 seconds when it is your turn to play. Help keep play moving at a brisk pace. Keep up with group in front of you.

### **BE EFFICIENT ON THE PUTTING GREEN**

Mark your ball, lift and clean it when you arrive at the putting green so you will be ready to replace it when it is your turn to play. You can usually line up your putt while others are putting, without disturbing them. Leave your clubs on the side of the putting green closest to the next tee, and leave the green promptly after holing out. Wait until the next tee to record your score. Leave the green after you have holed your ball and proceed to the next tee and hit.
