## Rules Corner

This month's Rules Corner describes a recent event on the European Tour. Tour player Shaun Norris took his stance and was disturbed by a replaced divot. He backed off, kicked the replaced grass away and then hit his shot. You might think, no big deal. The grass was loose hence it was a "loose impediment" which can be removed. But it isn't considered a loose impediment. A replaced settled divot, even though it is not rooted, is considered attached to the course property and thus cannot be removed, stamped down or pulled up. Shaun was assessed a 2 stroke penalty.

### NEWS FROM SUNDAY FUNDAY:

SDFD continues to be oversubscribed with large waitlists each month. There is simply more interest in the event than there are tee times. Some questions have arisen about how signups and waitlist priority slots are assigned. Here's the explanation:

- **Signup date: Signups** are always 5:00 p.m. on the Sunday two weeks before the event. The SDFD committee receives **multiple** emails at exactly 5:00 p.m. Having a 5:00 timestamp on your email does not guarantee that you will be on the confirmed roster. The emails are taken in the order received.
- **Priority Signup:** if you email timely (before 5:15 p.m. on the day of signup) and you do not get in and are not offered an opportunity to play, you will receive priority signup for the next month. The SDFD committee will advise you if you get priority signup and how it works.
- **Emails received at 4:59 p.m. on signup day:** Sometime emails arrive that are time stamped at 4:59. The SDFD committee cannot accept emails that are time stamped before 5:00 p.m. If your email arrives at 4:59 you will be put to the bottom of the list (and almost assuredly will be on the waitlist). So, be careful when sending your email.

# From the Prez.....

It has been a wonderful summer, full of golf, sunshine and blue skies. The Eclectic tournament was a lot of fun. The tournament committee is at it again with the Member - Member coming up on the 22nd. Please see the flyer on our website for all the details

Did you Know that we have a POP (Pace of Play) committee that monitors our players to be sure that they finish their round in a timely manner? With golf Genuis they are able to see the length of all our rounds. Remember that you are to ALWAYS keep up with the group in FRONT of you!

We are still looking for someone to lead our team play. Please let me know if you are interested.

A reminder that the course will be closed October 5<sup>th</sup> for maintenance. Our Holiday Event is set for Tuesday the 15<sup>th</sup> of December. There is no play after that until Jan. 5.

We still have another month or so before we bring out the handwarmers (hard to imagine!) so enjoy this great weather and be sure your rain gear is ready for our super El Nino year!
