Rules Corner

You may have noticed the hazard area to the right of the 8th green has been recently seeded. The course has put up a "Keep Off" sign to allow the seedlings to grow in. This area is a free drop given that most people would play out of that area in normal conditions. It will remain a free drop until the "Keep Off" signs are removed. Your ball must be in the seeded area to take the free drop.

From the Prez.....

The tournament committee did it again! What a nice club Championship we played! Our next event is the Presidents Individual Eclectic to be played August 11 and 18. All sign-up for those dates will go through cwgc.tournaments@gmail.com. We will be playing both days from the silver tees. Sign ups begin on July 28 at 5:00pm.

At our board meeting we had a lengthy discussion about posting incorrectly. We all get so used to Golf Genuis doing everything for us that we don't take the time to post properly when we have to do it on our own. Take a moment to be sure you are posting from the correct tees, be aware of an 9 hole option and enter the correct score. If you felt you did anything incorrectly our Handicap Director Debbi Strauss can make it right.

I hope you all had a wonderful 4th of July. So many great celebrations all over the country. Happy 250 America!

Karen
