Rules Corner

Rules Corner - Play the course as you find it
While some improvements to the area around your golf ball are allowed such as removing loose twigs, others result in a general penalty in stroke play (2 strokes) or loss of hole in match play.
Per rule 8:
1. DO NOT Remove or press down a replaced or sanded divot even if the divot has not rooted. Do not improve your stance by kicking a loose divot that is under your foot.
2. DO NOT Press down the grass behind or in front of your ball with your foot or your club. Your club can be lightly grounded in front of or behind the ball so that the ground supports the club but pressing it firmly is forbidden.
3. DO NOT Repair pitch marks or scuffed grass that are off the green and in your intended line.
4. DO NOT Remove sand or loose dirt (soil) that is off the green and in your intended line.

Team 2027

It is time to sign up for 2027 Team Play. It is a better-ball, partner event, with 8 team members playing each match. We are trying to field 3 teams of 15. Indices range from 1 to 40. There will be 4 home matches and 4 at other clubs in San Diego. Team members pay for there own green fees and cart fees. Players will be assigned based on their index and availability.
Matches typically run from 2d week of Feb. to mid-May and could be Monday through Friday. Match dates will be determined before the start of the season in order to set your calendar.
While you will not play every match it is imperative that you be available for a majority of matches both home and away.
To qualify for 1st match, you need 6 games from August forward. CWGC sweeps, events and SDCWGA events count.
If interested, please email your name, email address,phone number, ghin number and current index to:

From the Prez…

We are all looking forward to the Holiday Tournament on the 15th of December. The Tournament Committee is busy completeing the plans for our annual event. Please find your foursome and sign in on the 22nd of November at 5:00 pm.

Look for some changes in Sweeps registration coming in 2027.

There will be no golf on the Tuesday before Christmas or the Tuesday after. The City of Coronado Rec. oversees the the golf course and has given those times to the public.

So, I'm having 15 for Thanksgiving, how about you? It's a wonderful time to be with family and friends.
Enjoy!

K
