MEMBER SPOTLIGHT

B. Birgit Koebke & Kendall E. French

B. Koebke and Kendall French's story is one of competitive drive, professional excellence, and personal resilience—with golf as both a passion and a powerful connector. For B., golf began as a strategic move to fit into a male-dominated workforce, where Friday afternoons on the course were as important as meetings in the boardroom. A former competitive tennis player in college, she found golf to be the perfect blend of challenge and camaraderie and the relationships-built hole by hole. Her competitive spirit and low handicap have earned her top spots on teams at Bernardo Heights Country Club (now The Heights Golf Club) and the Coronado Women's Club, where she continues to play with passion.

Kendall's introduction to golf was equally serendipitous. While working in Convention Sales at a hotel overlooking the iconic Torrey Pines Golf Course, she was captivated by the sport's beauty and its ability to foster connection. A lifelong athlete through high school and college, Kendall embraced golf as a new outlet for competition and client engagement. Her love for the game deepened when she met B.—and it quickly became a shared love for the game.

B spent 36 years at CBS 8 television station, selling advertising and building lasting relationships across San Diego. Her career also opened doors to unforgettable experiences, including pro-am tournaments at the Farmers Insurance Open, Kia Classic, and the Dinah Shore. Since retiring in 2019, she's embraced golf and other passions with even more enthusiasm.

Kendall, a native of Laguna Beach, earned her BA from SDSU and made San Diego her permanent home. Her career began in the hotel industry, where she thrived in convention sales with Marriott and Sheraton Hotels. After a successful pivot into pharmaceutical sales, she spent 14 years at GlaxoSmithKline, retiring in 2018 as a District Sales Manager.

Beyond the fairways, B. and Kendall embarked on a journey that would redefine civil rights in California. What began as a plea for fairness at B's Country Club that evolved into a decade-long legal battle that reached the California Supreme Court. Their story, chronicled in *The Fair Way*, is more than a memoir—it's a testament to love, resilience, and the courage to stand up for what's right, even when the odds are stacked against you.
