Rules Corner

Your ball comes to rest anywhere on the golf course is struck by another player's ball. You must place your ball (or another ball) as near as possible to its original spot. the player whose ball hit yours, plays their ball from where ever it stopped after hitting your ball. There is no penalty to either player, except for the following situation. If both balls started out at rest on the green and player B hits your ball then you replace your ball as before and player B plays from where ever her ball came to rest. In stroke play she incurs a two point penalty, in Match Play there is no penalty.

Rev. 12/25

Rev. 9/26

From the Prez.....

Another year almost over! The Board has been busy preparing for 2027. The Tournament calendar has been set, Sweeps is working on theirs, Team is starting to get it together, the budget committee will meet soon and decide next years output. Handicap and Membership are busy with renewals and new members. Next time you see a board member you might thank them for the work they do for you!

Speaking of renewals, you will be receiving an email from the SCGA soon concerning dues. Be on the lookout for it.

I have been traveling and not playing much golf. So when I get to play Coronado again I feel like I'm home and happy to be there! We are so fortunate to have year round weather that affords us the pleasure. It's going to be interesting to see how El-Nino treats us this year.

Trick or Treat !
Karen
