

Coronado Women's Golf Club Sweeps Play Instructions

We are using real time scoring provided by Golf Genius Software and one player in each foursome is to enter scores for all players in the foursome. A second player must keep a "Master" scorecard, making sure the order on the scorecard matches that in the Golf Genius App. Use the blank lines between names to keep CTP and Chip-in information.

Golf Genius Software provides mobile apps for iPhone and Android phones. Please download the app for your phone. From the app, you will be able to enter scores and view the live leaderboard. Refer to the **GOLF GENIUS LIVE SCORING** document for how to login and use the Golf Genius app.

NOTE: If no one in your foursome is comfortable using the Golf Genius app, you simply have to keep a "Master Scorecard" for your group and then take a picture of the ATTESTED scorecard and send to cwgc.teetimes@gmail.com.

Handicaps:

- Handicaps used for Tuesday's play are as of Sunday afternoon.

Tuesday Pairings:

- The Pro Shop takes control of the Tee Sheet at 5:00PM the Friday before Tuesday play.
- The Sweeps Team obtains the Tee Sheet back from the Pro Shop on Sunday afternoon. Any changes made over the weekend will be reflected on the pairings sheet that is emailed Sunday evening. If you call the Pro Shop for a tee time after Sunday afternoon, email cwgc.teetimes@gmail.com so the changes can be made in Golf Genius.
- The pairings will be emailed to everyone on the tee sheet on Sunday evening. The Player Tip sheet **will show the unique GGID assigned to your foursome that you will use to login to the Golf Genius app**. You can login before you come to the golf course so you are ready. The pairings sheet will tell you the game to be played and your playing handicap.

Scoring:

- Please take a scorecard from the starter booth and use that to score for your foursome.
- Leave a blank line between each person's name. You can use the blank line to keep track of chip-ins and closest to the pin measurements.
- Enter the scores in Golf Genius after the completion of each hole. If you pick up, enter the score as X5, X6, X7, etc. - the score that you think you would have gotten. If a Player is a No Show, Do Not enter an X for their score, leave it blank.
- Document your scores on a scorecard to verify against Golf Genius (GG) when you complete your round.
- At the end of the round, each Player should verbally verify hole-by-hole scores to attest that the scores entered into GG are correct. Verify the GG scores against the scorecard before you leave the course.
- Email cwgc.teetimes@gmail.com with any CTP and Chip-in information.
- DO NOT email the scorecard, unless there is a Player that is not listed in GG (Golf Genius). The Sweeps Team will enter their scores into GG.
- **DO NOT POST!!!** Golf Genius will post for you.

Closest to the Pin:

- If you would like to participate, please bring your own measuring device (tape measure, etc.).
- Proximity Markers will be on each Par 3 to mark the closest position.
- If you are inside the Proximity Marker, measure and record the distance on your scorecard or a separate scorecard.

Sweeps Game

- You will notice a difference in the way Golf Genius scores the sweeps games versus what you are used to.
- For games like O.N.E.S., T's & F's, Par 4's, Play the Middle, etc., Golf Genius will pop the holes used in the game, resulting in a game net score.
- For games like Eenie Meenie, IF, Criss Cross, Cross Country and Three Blind Mice, where holes need to be compared to determine the best/worst—the best score is relative to par—so if you got a 3 on a par 3 and it is compared with a birdie 4 on a par 5, Golf Genius will keep the birdie 4 even though it is higher than the 3.
- We will no longer be able to play any game that requires the player to make a substitution, e.g., Alibi, Poker, Odd or Even, Front or Back, Best Consecutive 9

Ringer:

- For those of you in Ringer, we will be combining your Quarterly scores.
- No need to fill out a separate scorecard as Golf Genius will handle it.
